

## How to Prepare Your Doll for Collections

- Place a label with your name on the doll in a place where it does not show. This is temporary and can be fabric or paper attached by hand stitching or safety pins.
- The doll can be placed in an upright grocery bag (does not have to be clear). See picture below.
- Adhere a picture of the doll with the Entrant's name, phone number, and the doll's name to the outside of the bag.
- No stuffing, bubble wrap, or packing material around the doll in the bag.
